Hi Gene,

Is this the same as the requirement to "Incorporate New Development Management Measure Requirements/Practices within TMDL Implementation Guidelines for the Coastal Nonpoint Program Management Area" under the New Development measure? I think it is called Guidance for TMDL Implementation Plan Development for Urban/Rural Residential Land Uses Within the Coastal Zone Management Area? Last update, it was on your desk for review I believe....

Talk with you soon!

Attached is our current schedule for the CZARA work items.

These were discussed with EPA, NOAA, and DLCD during a conference call in mid-April. We have another conference call with EPA on CZARA in mid-June

Neil and Gene,

Has DEQ prepared and provided to EPA a document that includes the proposed schedule for implementing the Oregon Coastal TMDL approach? According to the settlement, it was due March 31. If so, could you provide it to me?

Likewise, there was a Jan. 31st deadline for additional detail on the approach. Could I obtain that as well?

Thank you,

Nina
